

Butterfly & Frog

Life Cycles

Free

We hope you enjoy these life cycle cards!

Here are some suggestions for use:

- ✓ Print the color sheets (pages 3 and 5). Use them as a poster for your class or science center.
- ✓ Laminate and cut out the color cards (pages 3 and 5). Place them in your science center and have students use the "Life Cycle Order" printable (page 7) to place the cards in the correct order.
- ✓ Print the black & white cards (pages 4 and 6) for students to color in. Have them cut out the cards and glue them in the correct order on their own "Life Cycle Order" printable (page 7).
- ✓ Staple the cards together to make a mini book!

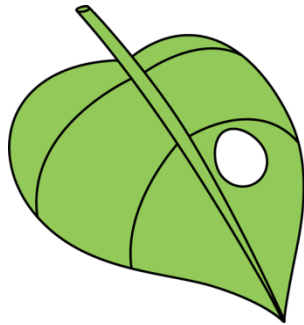

Our products are perfect for classroom environments and homeschool learning. If you have any questions or comments, please feel free to contact us at: curriculumcastle@gmail.com.
